

The Housing White Paper 'Fixing our broken housing market'

The White Paper sets out a broad range of proposals that the government plans to introduce to help reform the housing market and increase the supply of new housing.

What are these proposals; what are the implications and perhaps more importantly what will be the impact on the housing market if implemented?

Here is your opportunity to find out
as

Kamran Hyder and Melissa Flynn from Ward Hadaway have kindly agreed to come along and provide an overview of the document and advise as to the likely impact
