

# THE ROYAL INSTITUTION OF CHARTERED SURVEYORS BENEVOLENT FUND LIMITED

The RICS Benevolent Fund is the charity caring for chartered surveyors : The Property Profession. Established solely to assist past and present members of the Institution and their dependants, at all levels of membership and in all age groups, the Fund is governed by a Board of Trustees representing members of the Institution. The day-to-day work of the Fund is performed by a Chief Executive and a small, specialist staff. An international network of over 300 volunteer stewards play a vital role in visiting beneficiaries and identifying those in need at home and overseas.

The Fund offers free confidential advice on a range of Social Welfare and other matters. Those in need are visited and befriended and financial support is given by grant or by loan in appropriate cases. At any one time staff are dealing with over 800 cases. Every year more than 3,500 people are helped and 60,000 hours spent looking after their welfare.

Beneficiaries of the Fund include those who have become sick or disabled, who are bereaved, unemployed, separated families, or those who have experienced difficulties in retirement.

The Fund is committed to providing financial help in the total sum of £4,854 to 12 Beneficiaries in Northumberland and Durham and Cleveland during 1994 and to meet the needs of others should they arise. Last year the Branch raised £3,756 for the Benevolent Fund.
